Dear Learned Silk,

RECOGNITION AWARD FOR CONTRIBUTIONS TO THE LEGAL PROFESSION

The Nigerian Bar Association (NBA), Eti-Osa Branch, fondly known as The Coastline Bar, proudly recognizes your outstanding contributions to the legal profession in Nigeria.

As part of our inaugural Law Week (25th–29th April 2025), we are honouring distinguished legal minds whose dedication and impact have strengthened the practice of law and enhanced the legal landscape in Nigeria. Your exemplary leadership, advocacy, and mentorship have significantly influenced the legal profession in Nigeria.

In appreciation of your impact, we are pleased to present you with the **Award for Contributions to the Legal Profession** at our **Law Week Dinner & Awards Night on 29th April 2025**. This prestigious event will host eminent lawyers, policymakers, and industry leaders.

While we appreciate any support towards this event, this recognition is purely based on merit.

We would be honoured by your presence to receive this award. Kindly confirm your availability at your earliest convenience.

Thank you, and we look forward to celebrating with you.

Yours faithfully,
